

**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven A. Shaw on April 14, 2008.

The application has been amended as follows:

***In The Claims***

Claim 26, in line 7, "handshake. wherein" has been replaced with --handshake, wherein--.

Claim 27, in lines 3-4, "the first channel" has been replaced with --the selected channel--.

***Allowable Subject Matter***

2. Claims 20-21, 23, 26-27, and 29 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest coupling an enhanced master device with a slave device without using polling or a handshake; wherein the master device is only device that can initiate transmissions using only data and not control information; responding to the master device from the slave device on a channel selected from a repeated channel adaptive hopping sequence, derived from the original hopping sequence, if the slave device is an enhanced slave device; and responding to the master device from the slave device on a channel selected from the
